

# CLIMATE UNIVERSITY

## Climate University kick-off

**Day 1: Tue 27.11.2018**

*University of Helsinki Think Corner (Yliopistonkatu 4, Think Lounge, 2<sup>nd</sup> floor)*

9:00 Coffee

**9:30 Start**

Opening words, Chancellor Kaarle Hämeri, University of Helsinki  
The constitution of future universities, Chief Digitalisation Officer Jaakko Kurhila, University of Helsinki  
What is Climate University? Guide to the workshop, Laura Riuttanen, University of Helsinki

**10-12 How do we solve the sustainability crisis?**

*In this interactive workshop you get to meet interesting collaborators and challenge your views on future education. You need outdoor clothing and shoes for walking!*

12-13 Lunch

**13-15 What do we do together?**

*This workshop is about project planning. We collect ideas from the morning workshop and start the universities' survey on needs of climate change and sustainability education.*

15:00 Coffee

**15:30-17:30 New innovations towards sustainable future.**

*To this innovation workshop we have especially invited our private collaborators. Together we design collaboration to benefit both education and business.*

Leadership for sustainable change, Erkki-Jussi Nysten, University of Tampere

Presentations by the collaborators:

Nani Pajunen, Sitra  
Sari Siitonen, Climate Leadership Coalition  
Nikolas Salomaa, NollaE oy  
Maija Leino, Useless Company  
Mikael Sokero, Demos Helsinki  
Suvi Valkama, ESRI Finland  
Jussi Åkerberg, AW-Energy oy  
Hannu Korhonen, CGI  
Mira Hulkkonen, Pöyry  
Kari Pietilä, Nordea  
Sonja Jaari & Petri Allekotte, Climate-KIC

18-20 Dinner in Restaurant Loop (Lapinlahdenpolku 8D)

## Climate University kick-off

**Day 2: Wed 28.11.2018**

*University of Helsinki Main building (Fabianinkatu 33, Auditorium III)*

8:30 Coffee

**9:00 Start**

Climate.now – basics of climate change for all, Laura Riuttanen, University of Helsinki

**9:30-11:30 Climate.now workshop**

*In this workshop we hear examples on how Climate.now has been used in universities in Finland, to inspire old and new teachers. Also, we collect feedback on how the material should be renewed in near future.*

Sirkku Juhola, University of Helsinki  
Sanna-Liisa Sihto-Nissilä, Aalto University  
Pentti Viluksela, Metropolia University of Applied Sciences  
Miikka Dal Maso, Tampere University of Technology  
Tuuli Mäkinen, University of Jyväskylä  
Jyrki Martikainen, University of Helsinki

**9:30-11:30 Climate University goes to schools (in Room 4, in Finnish)**

*A workshop on collaboration between universities and schools. As an opener some short presentations on current school-related activities and courses. The main focus is on discussing the climate and sustainability education needs of schools and universities, and coming up with ideas for collaboration.*

Presentations by the collaborators:  
Nollapäätöpäivä koulussa, Sari Siitonen, CLC  
Kestävyyskasvatus Espoossa, Aki Saariaho / Kirsi Haapamäki, Espoon kaupunki  
Teacher's Climate Change Forum, Topias Ikävalko, HY Tiedekasvatuskeskus  
Kisyilmastosta.fi, Marianne Santala, Helsingin Yliopisto  
Parempi Ilma, Parempi Elämä –kurssi, Taina Ruuskanen, Helsingin Yliopisto

**11:30 Summary**

12:00 Lunch

13-15 Meeting of the university contact persons
