

Evolution is all around us – the HAT research project Seminar

A public seminar **on the nature of change in natural and societal systems** at the Think Corner is **organized by the HAT research project** (<https://blogs.helsinki.fi/hatresearch/>). The event will take place on the 27th of October 2022 at Yliopistonkatu 4, Helsinki (Think Lounge). Everyone is warmly welcome!

27.10.2022 17:00–19:00 at Think Corner (Think Lounge)

Programme:

17:00-17:10 Welcome words, introduction to the HAT research project

Indrė Žliobaitė, University of Helsinki

(Fields: data science and evolutionary paleontology)

Presentations:

17:10-17:20 **Silva Nurmio**, Department of Languages, University of Helsinki

(Fields: historical linguistics, linguistic typology)

17:20-17:30 **Antti Laaksonen**, Department of Computer Science, University of Helsinki

(Fields: Computer Science and Musicology)

17:30-17:40 **Mirva Peltoniemi**, University of Jyväskylä

(Fields: Technological change, industry evolution)

17:40-17:50 **Carlos Lamuela**, University of Helsinki

(Fields: Cities and urban mobility)

17:50-18:00 **Leo Lahti**, Department of Computing, University of Turku

(Fields: data science, statistical ecology, computational humanities)

Aura Raulo, Department of Computing Science, University of Turku

(Fields: ecology, evolutionary biology)

18:00-18:10 **Björn Kröger**, Curator of Palaeontology, Finnish Museum of Natural History

(Field: palaeontology)

Coffee Break at 18.10 – 18.20

Panel discussion and Q&A:

18:20-19:00 Moderator: **Alexis Rojas**, University of Helsinki. (Fields: geology and paleontology)

Challenges and opportunities of exploring evolutionary patterns in nature and society

Panelists: **Björn Kröger, Antti Laaksonen, Leo Lahti, Carlos Lamuela, Silva Nurmio, Mirva Peltoniemi, Aura Raulo, Indrė Žliobaitė**

The HAT research project (2022-2024) is funded by **KONE FOUNDATION**.
