- Visual aids for study and rehearsal, including a **Words and Speeches Graph** and a **Character Grid** for each play
- **Part books**: character lines and stage directions readily available for each individual role
- **Play Finder**: search for a play via cast size, genre, period, playwright and more
- **Personalized experience**: citation tool, bookmark, highlight, annotate texts, save searches, and view search history

### Praise for Drama Online:

**'Given the breadth and diversity of the content offered – and that the content is full-text – Drama Online is highly recommended for any library with a performing arts or dramatic literature focus.'** *Reference Reviews*

**'A well-designed and easy-to-use database that succeeds admirably in making the texts of plays available online in an environment that will enhance their use for study and performance ... As a database designed to provide the texts of plays of most interest to students of theatre, from antiquity to the present, Drama Online is unique among the theatrical databases currently available.'** *The Charleston Advisor*

**'Drama Online is an invaluable resource for my students, staff and me. It allows us to access such a wealth of treasured texts in an instant.'** Jeff Janisheski, Head of Acting, National Institute of Dramatic Art (NIDA), Sydney, Australia
