Contributors

HANNE APPELQVIST is Docent of Theoretical Philosophy at the University of Helsinki and Collegium Researcher at the Turku Institute for Advanced Studies, Finland. She is the author of *Wittgenstein and the Conditions of Musical Communication* (Acta Philosophica Fennica, 2008), editor of *Wittgenstein and the Limits of Language* (Routledge, forthcoming), and has published numerous articles on Wittgenstein, Kant, aesthetics, and philosophy of religion. Appelqvist is also a member of the Centre of Excellence *Reason and Religious Recognition* (Academy of Finland, University of Helsinki).

DAN-JOHAN EKLUND is a postdoctoral researcher in philosophy of religion at the University of Helsinki. He is a member of Young Academy Finland and has been a visiting fellow at Uppsala University. His research interests lie in contemporary analytic philosophy of religion.

ERIK ELIASSON is Associate Professor (Docent) in Theoretical Philosophy of Uppsala University. He has been research fellow at the Helsinki Collegium for Advanced Studies. His research mainly focuses on ancient philosophy, and in particular the ancient reception of Plato and Aristotle in the commentators and beyond. His recent projects have focused on ancient theories of Fate, Free will, and determinism, but also on aspects of the Byzantine and Latin Medieval reception of Aristotle's ethics.

LEILA HAAPARANTA is Professor of Philosophy at the University of Tampere and Docent at the University of Helsinki. Previous posts include research and teaching positions at the University of Helsinki and at the Academy of Finland. She has led research projects on twentieth century philosophy, metaphysics, and rationality. She has published books and articles on the history of logic, early twentieth century analytic philosophy and phenomenology, epistemology, philosophy of mind and language, philosophy of religion, and pragmatism.

LAURA HELLSTEN is finishing her PhD in Systematic Theology at Åbo Akademi University with the topic of Dance in the Western Christian tradition. Her research questions include yet are not limited to finding answers to the question: When did we stop dancing in churches and why? She has worked as a lecturer in Religious Education at the International Masters in Education program of Oulu University. Currently working as an University teacher in Religious Ethics and Philosophy in the Faculty of Arts, Psychology and Theology at Åbo Akademi University.

MINNA HIETAMÄKI is a university researcher at the University of Helsinki. Her research interest include various areas of ecumenical theology, e.g. ecumenical methodologies and gender and ecumenism. She is a member of Academy of Finland Center of Excellence Reason and Religious Recognition.

SIMO KNUUTTILA is Professor emeritus of Theological Ethics and the Philosophy of Religion at the University of Helsinki. His publications include *Modalities in Medieval Philosophy* (1993), *Emotions in Ancient and Medieval Philosophy* (2006) and numerous articles on the history of logic, the philosophy of mind, and philosophical theology. He is also editor or co-editor of many books on the history of philosophy, most recently *Sourcebook for the History of the Philosophy of Mind* (2014). He is the past chairman of the section for Philosophy, Theology, and Religious Studies at the Academia Europaea and the managing editor of The New Synthese Historical Library (Springer).

TIMO KOISTINEN is University Lecturer in Philosophy of Religion at the University of Helsinki. His research interests lie in contemporary philosophy of religion. He has worked extensively on the method of philosophy of religion in the Wittgensteinian tradition.

LARI LAUNONEN is a doctoral student of philosophy of religion at the University of Helsinki, working on the theological implications of Cognitive Science of Religion. He is a member of the Centre of Excellence in Reason and Religious Recognition and a regular contributor to the Areiopagi project, which focuses on questions on the relationship between science and religion.

IVETA LEITANE is a research fellow at the Department of Medieval Philosophy, Institute of Philosophy, Bonn University, Germany, and affiliated with the Center for Judaic Studies, University of Latvia, Riga. She conducted research at the universities of Tuebingen, Riga, Koeln, Erfurt, Princeton, Tel Aviv, Tallinn, and Marburg, the Hebrew Union College, Cincinnati, USA, and German Historical Institutes in Paris, Warsaw, and Rome. Her research interests include Jewish Philosophy and Hermeneutics, Methodology of Religious Studies, and Intellectual History in Central and Eastern Europe. She has published extensively on these topics.

JOHANN-ALBRECHT MEYLAHN is Professor of Theology at the Faculty of Theology and Religion of the University of Pretoria in South Africa. Before teaching at the university he worked for numerous years in the inner city of Tshwane (Pretoria) in a multi-cultural congregation. He was awarded the Alexander von Humboldt Fellowship which enabled him to do research at the Humboldt University of Berlin from 2014 to 2016. His research focuses on the conversation between theology and philosophy.

SAMI PIHLSTRÖM (PhD, University of Helsinki, 1996) is, since 2014, Professor of Philosophy of Religion at the University of Helsinki, Finland. He was previously, among other things, the Director of the Helsinki Collegium for Advanced Studies (2009–2015). He is currently the President of the Philosophical Society of Finland and Vice-Chair of the Research Council for Culture and Society at the Academy of Finland.

PANU-MATTI PÖYKKÖ is a doctoral student in Philosophy of Religion at the Faculty of Theology, University of Helsinki. He works on Emmanuel Levinas's phenomenology and philosophy of religion. He is a member of Academy of Finland's Center of Excellence in Reason and Religion Recognition.

THOMAS M. SCHMIDT is Professor of Philosophy of Religion at the department of Catholic Theology and adjunct faculty member at the department of Philosophy at the Goethe-University in Frankfurt, Germany. His areas of specialization are philosophy of religion, political philosophy,

pragmatism and German idealism. Schmidt is a principal investigator of the research cluster "The Formation of Normative Orders" and one of the speakers of the Graduate program "Theology as an Academic Discipline" at Goethe-University Frankfurt. He was Distinguished Visiting Fellow at the Helsinki Collegium for Advanced Studies (2009) and Fellow at the Max Weber Center for Advanced Cultural and Social Studies at the University of Erfurt (2011–12).

HUGO STRANDBERG is Associate Professor of Philosophy at Åbo Akademi University, Finland, and Senior Researcher at the Centre for Ethics, University of Pardubice, Czech Republic. His former and present research concerns questions in the borderland of moral philosophy, philosophy of religion, and existential philosophy.

NORMUNDS TITANS (Ph.D. from the Lutheran School of Theology at Chicago) is a part-time Professor at the Faculty of Theology, University of Latvia, Riga, where he teaches courses in philosophy of religion, ethics, and modern theology. His current academic interests include such areas as science and religion dialogue, futurology, postmodern French philosophy, etc.

MIIRA TUOMINEN has, after defending her PhD thesis at the University of Helsinki (2001), worked in several universities and is now Professor of Philosophy at University of Jyväskylä. She has published on a wide array of topics, monographs *Ancient Philosophers on Starting Points for Knowledge* (2007) and *Ancient Commentators on Plato and Aristotle* (2009), and numerous articles, e.g., on philosophical psychology and theory of knowledge, on ethics and happiness, and theory of arguments in ancient philosophy. She is now completing her monograph on Porphyry's ethics of *On abstinence*.

OLLI-PEKKA VAINIO is University Lecturer of Systematic Theology at the University of Helsinki. He is also a member of Center of Theological Inquiry, Princeton, NJ and has been a visiting fellow at the University of Oxford. His research focuses on both historical and contemporary theology.

ULF ZACKARIASSON is Associate Professor of Philosophy of Religion at the Faculty of Theology, Uppsala University, Sweden. His research concerns pragmatic philosophy of religion, particularly pragmatic philosophical anthropology and its implications for our understanding of critique and justification of religion and religious commitments. Zackariasson is former president and currently vice-president of the European Society for Philosophy of Religion.
