

**SEB** is the leading Nordic investment bank employing around 250 investment banking professionals. **SEB Corporate Finance** provides advisory services to corporations, private equity investors and other institutional investors in the Nordic region. We are the market leader in the provision of specialist advice in mergers and acquisitions and equity capital market transactions.

## The leading investment bank in the Nordic countries is now seeking Corporate Finance Interns

to join our team in the Helsinki office. We want you to be ambitious, hard-working and willing to learn. In addition to an outstanding academic track record you have a brilliant analytical mind-set, true team-player attitude, good communication skills and excellent command of both Finnish and English.

Our industry leading Corporate Finance Internship Programme for students (with >100 ECTS) is the key element of our junior recruitment structure. We are now hiring interns for spring, summer and autumn 2018.

Your responsibilities as an intern are comparable to those of our junior professionals. As a part of our team you are responsible for providing financial and strategic advice of the highest standard in M&A and equity capital markets transactions, advising leading Finnish and international corporations, private equity firms and other financial investors.

We offer an international work environment within financial markets and investment banking, a steep learning curve and competitive benefits. Our success is based on the skills of our professionals, which we respect as our most valuable asset.
