

Total number of foreign languages speakers in HMA at the end of 2017: 182962. Data from Statistics Finland (Table 031 -- Language by sex, by region and municipality in 1990 to 2017) and UNESCO Atlas of the World's Languages in Danger (<http://www.unesco.org/languages-atlas/>). ".." means that there were less than 10 cases and these were excluded from the statistics for privacy.
