

## Opinto-oppaat ja tutkintorakenteet vanhojen tutkintovaatimusten mukaan opiskeleville

Opiskelijan on mahdollista valmistua siirtymä-aikana v. 2017-20 myös vanhojen tutkintorakenteiden mukaan mikäli opinto-oikeus on alkanut ennen 01.08.2017.

Uuden opetussuunnitelman mukaan opiskelevien opinto-oppaat löytyvät tiedekunnan alta koulutusohjelmiin kytkettyinä:

The screenshot shows the Helsinki University website navigation menu. The 'Faculty of Arts, Courses in English, 2017-18' section is expanded, showing various programs. A search bar is used to find 'Historian kandiohjelma, 2017-18'. The search results show a list of programs, with 'Historian kandiohjelma, 2017-18' highlighted. A blue arrow points from the search bar to the highlighted result. To the right, a text box explains the program: 'Historian kandiohjelma' is a program where students can find the curriculum structure, teaching, and exams. It notes that the program is available for students who started their studies before August 1, 2017. A note also mentions that the program is being replaced by new curriculum requirements starting from 2017-18.

Jos koulutusohjelman opinto-oppaan alta löytyvästä valikosta ei löydy aiempien vuosien opinto-oppaita, löytyvät ne vanhojen laitosten ja pääaineiden alta, esimerkiksi historian osalta Filosofian, historian, kulttuurin ja taiteiden tutkimuksen laitoksen alta, josta valitaan yleinen historia tai Suomen ja pohjoismaiden historia.

The screenshot shows the search results for 'Yleinen historia, 2017-18...2019-20'. The search bar is highlighted, and the results list various programs. A blue arrow points from the search bar to the highlighted result. To the right, a text box explains the program: 'Yleinen historia' is a program where students can find the curriculum structure and exams. It notes that the program is available for students who started their studies before August 1, 2017. A note also mentions that the program is being replaced by new curriculum requirements starting from 2017-18.
