Enrolling at the University of Helsinki

Automatic enrolment is not in use for the spring term.

Existing students. After paying the Student Union membership fee you have to register for attendance at the Student Services of the University (<http://www.helsinki.fi/neuvonta/english/index.htm>). Please take the receipt of the payment with you.

Doctoral/PhD students may join the Student Union if they wish. If you have registered for attendance during autumn 2013 without paying the Student Union membership fee, but now wish to join the Student Union for the spring term 2014, you have to pay the membership fee and bring the receipt of payment to the Student Services of the University (see contact details above). However doctoral students are not entitled to use health care services of FSHS (YTHS). If you have the right to study both master and doctoral studies, the membership fee for Master's degree students is obligatory for you.

Note: if you forgot to enrol during the period of registration (**1.5.–2.9.2013**), please contact the Student Services of the University or your own faculty.

Further information: http://www.helsinki.fi/studying/enrolment_and_registration.shtml

New students. You need to submit the original receipt of the payment to your Faculty at the University of Helsinki with the letter of acceptance. Take a photocopy of the receipt for yourself. You will need the copy, among other things, to access various services at the University of Helsinki.

Voluntary payments

Student nation membership

If you want to join a student nation (osakunta), pay the membership fee. Write the acronym of your student nation into the message field of the payment or onto the receipt of the payment. Remind the student services to enter your student nation as well to the student register when registering at the university. After paying the membership fee, a new nation member (also a student changing her nation membership) must go and enrol at the nation. Please, remember to take the receipt of the payment with you. Information on the nations you can find in your student calendar and the websites of the nations.
